### (Forward-Looking Statements)

This presentation contains various forward-looking statements which are based on the current expectations and assumptions of future events. All figures and statements with respect to the future performance, projections and business plans of Sumitomo Electric and its group companies constitute forward-looking statements. Although Sumitomo Electric believes that its expectations and assumptions are reasonable, actual results and trends of Sumitomo Electric's performance could differ materially from those expressed or implied by such figures or statements due to risks and uncertainties in the future business circumstances. The factors which may cause such difference include, without limitation:

1. General market and economic conditions in the U.S., Europe, Japan and other Asian countries, especially personal consumption and capital expenditure.
2. Fluctuations of currency exchange rates, especially between Japanese yen and U.S. dollar, Euro and Asian currencies.
3. Rapid technological development and Sumitomo Electric and its group companies' ability to cope with it.
4. Changes in various assumptions including financial, managerial and environmental ones.
5. Current and future laws and regulations by foreign countries about trading and other activities.
6. Change in market value of securities that Sumitomo Electric and its group companies own.

Please be advised that there are possibilities actual sales and profits could be different from those described in this material. Sumitomo Electric and its group companies are not obliged to update and make public any descriptions in forward-looking statements after releasing this material.
